

UNITED

LABORATORIES

ResPOND restores and refreshes ponds, lakes, large decorative fountains (20,000 gallons or more), holding tanks and lagoons that have been fouled.

- Reduces odors.
- Greatly improves water clarity.
- Increases natural bacterial activity.
- Reduces bottom solids.
- Reduces unwanted compounds such as nitrates, phosphates, ammonia and organic sulfides.

ResPOND is not a herbicide. It's a blend of ten different bacterial cultures that have been specifically selected and adapted to ecologically maintain ponds and other bodies of water.

EARTH SMART® FORMULATION:

- 10-strain blend includes the cold-weather strain.
- High bacteria count (10 billion CFU/gm).
- Will not harm humans, birds, fish or plant life.
- Safe on pipes, pumps, and other equipment.
- No hazardous components.
- Active working pH range 6-9.
- Works at temperatures between 38°F and 100°F.

DIRECTIONS FOR USE:

United 487 is available in four-ounce water-soluble packets or in bulk form.

Water-soluble packets should be tossed into the pond according to the treatment schedule indicated.

Bulk **ResPOND** should be mixed at the rate of one pound with one gallon of warm water. Mix to form a slurry and let sit for 10-20 minutes before pouring into water.

When treating fish-inhabited waters, treat only half of the water at a time. Follow treatment schedule for 3 weeks. Wait 1 week then treat the other half of the inhabited water following the treatment schedule.

TREATMENT SCHEDULE:

The chart below assumes that the waters have been significantly fouled. For less-fouled waters, contact your sales representative for a treatment schedule.

1 Acre foot = 43,500 cu. ft. 1 Acre foot = 325,000 gal.

Pounds of ResPond per Acre foot	Week	Frequency
2	First	Twice
1	Second	Twice
1/2	Third	Twice

For regular maintenance, use one pound per acre foot weekly. The four-ounce soluble packets are a quick efficient way to treat smaller bodies of water (10,000 gallons or more).

ResPond packet per 20,000 gallons	Week	Frequency
2	First	Twice
1	Second	Once
1	Third	Once

For regular maintenance, use one 4 oz. packet per 10,000 gallons weekly. **ResPond** is not recommended for bodies of water that are less than 20,000 gallons.

CAUTION:

Wash hands after use. Store in a cool dry place.

EMERGENCY AND FIRST AID PROCEDURES:

EYES: Immediately flush with plenty of water for at least 15 minutes. If irritation persists, seek medical attention.

SKIN: Wash with soap and plenty of water. Launder clothing. If irritation or redness persists, seek medical attention.

INHALATION: Not applicable.

INGESTION: Thoroughly rinse mouth with water. Drink one or two glasses of water. Slight gastrointestinal discomfort may occur.
